The Secretary to the
Dewan of Mysore.

Sir,

I have the honor to
forward for information and
orders of Government a petition
addressed to the Darikere

Amildar by Palegar Sarja
Hammappa Naik taking
objection to the old sites in
the ruined fort of Darikere
being sold.

As will be seen from
the correspondence enclosed
the lands in the old fort

have been lying waste for
nearly thirty years

In accordance with
order no: $\frac{131}{53}$ Dated the 28th
April 1869, of the Nagar
Division Superintendent, the
lands were given on Darkhast
to one Kasi Venkatpuriappa in 1869
and have since been held
by him and Patel Theema-
: basaiya from Government,
as *Mukdumi*

I am now doubtful as
30 years have elapsed
since their possession whether
the original holders such
as the Palegar, Nadiga Sam:
: Kappaiya and others should
be allowed to assert their
claims to the sites on which,

I admit, their ancestors
formerly had their houses.

If they are to be allowed
to do so, it will not pay the
Municipality to attempt any
improvements in the now
deserted fort, as it is only
from the sale of the sites
that the expenditure which
will be necessary to open
out and render the fort
habitable, could be recouped.

I have the honor to be
Sir,

Your most obedient servant
